

AESTHETIC SERVICES

Mallory Edwards

Consultation

A complimentary 15 minute consultation is required for all aesthetic services. This will be your first appointment in order to discuss skin concerns, goals, and any questions. A treatment plan will be established and suggestions for a pharmaceutical-grade skincare regimen will be made to ensure the best out of your skincare routine.

FACIALS

CBD Facial

Not only great for calming the body and mind, CBD is also a very powerful antioxidant. When applied to the skin, it promotes anti-aging and anti-inflammatory benefits for any skin type.
